Digital Customer Application

Ready to shape the future of your business?

Honeywell, making your life easier

WHAT IS THIS ABOUT?

A new digital, web link-based version of the New Customer & Credit Application is ready for a 'soft launch' to selected business across Honeywell in the Americas. Other regions will be included to this new process over the next 30-60 days.

HOW DOES IT WORK?

Our sales team members will provide you with a link for an easy and faster access. Thru this method, your account's creation and credit application will be received and processed in a timely manner.

On this document, the process is explained as well as a training video on our youtube channel. We invite you to go and see the demo video clicking on the below link.

Please read all the statements below and check the boxes to accept as necessary. If you do not accept the relevant statements, you will not be able to submit this form.

FINANCIAL RELEASE AUTHORIZATION

- I authorize the references named herein, both financial institutions and trade references, to release any financial and credit information known to them to Honeywell Inc. with the understanding that it will be used solely for credit purposes. Furthermore, if this credit application is accepted, we agree to pay for purchases in accordance with the terms and conditions set by Honeywell Inc.

TERMS OF SALE

- Honeywell (the Company) provides agreed goods and services in exchange for payment as per contract or sales order. The Company may extend payment terms from Invoice date to qualified applicants and subject to contract terms. Payment Prior to Shipment (PPS), Cash on Delivery (COD) or any other method of payment may be required pending receipt and review of customer's credit application, financials and references. Payment is expected at the Company's designated address (specified on the invoice) within required payment date (per contract or sales order).

It is understood and agreed that, once Honeywell has approved the credit application, payment will be tendered according to the assigned credit terms. Honeywell may take any action required in case of failure to make payment as agreed. This may include, but is not limited to, use of outside agencies or attorneys. Costs and fees incurred by outside service agencies or attorneys will be an additional liability on the part of the debtor organization.
